July 22, 2009

Dear Student:

Please carefully review the attached letter. This letter explains that if for any reason a student owes funds back to the SRPMIC Higher Education Program and is unable or unwilling to make alternative payment arrangements, the repayment may be directly deducted from the student's per capita distribution. Students will be given repayment options before any funds are deducted from per capita distribution.

PLEASE NOTE: In order to be eligible for the full credit/clock hour payment, students must complete and pass all scheduled courses. If a student withdraws or fails any or all scheduled courses, the credit/clock hour payment will be adjusted accordingly.

This letter must be SIGNED and RETURNED to the SRPMIC Higher Education Program before any credit hour or clock hour checks will be released.

Signed documents should be mailed, faxed or dropped off to the Higher Education Office as soon as possible. The mailing information is as follows:

SRPMIC Higher Education Program
10,005 East Osborn Road
Scottsdale, AZ 85256

FAX NUMBER: (480) 362-2550

Also, a Student Orientation will be held in the SRPMIC Education Board Room on August 6, 2009 at 5:30pm. The Orientation will outline basic requirements of the Scholarship Program and will answer any questions students may have about the policies and procedures. If you are an out of state student and would like the information sent to you please call (480) 362-2547.

Sincerely,

SRPMIC Higher Education Program
