

Access to Online Curriculum for Salt River Students

Salt River Elementary students can access several learning programs from home. Here are the addresses and general log in information. If your student does not remember his/her username and password, you can request that information by emailing the child's teacher.

Kindergarten-6th Grade

Edgenuity

This program provides customized Math and English Language Arts instruction based on your child's results on the last test results (NWEA). Most likely, your child has used the program if they are in 1st through 6th grade. Few kindergarteners have used the program—but they can!

Here's how to get your student on Edgenuity:

- Type in this address: <https://www.thelearningodyssey.com>
- You will need to enter a username and password.
- User Name: Every child enrolled in Salt River Elementary has a given username and password. If your child does not remember it, follow the instructions above.
- The School field must be filled in correctly, or the log in will not work. Type in "salt river".

Footsteps2Brilliance

Footsteps2Brilliance is a learning program that can be used on any smart device or computer. It is only for Pre-K through 3rd grade students. Every 3 and 4 year old as well as all kindergarten through 3rd grade student enrolled in Salt River ECEC or Elementary school has an account with this program. Any child in pre-K through 3rd grade in the Community can have an account for free. Children learn reading, writing, math, science and other subjects while playing games, listening to or reading books and even writing their own books. There are two different apps depending on the grade level of the child.

Parents need to register online before installing any apps.

- Go to www.myf2b.com/register/saltriver
- Click on the Register in English box and follow the prompts.

Grades K-3 using a computer or tablet (do NOT use internet explorer; chrome or firefox will work)

- To log on, type this: www.myf2b.com
- Click on **Super Secret Code** and then enter the student's code.

Pre-K (3 and 4 year olds) using a computer or tablet (do NOT use internet explorer; chrome or firefox will work)

- To log on, type this: www.mycku.com.
- Click on **Super Secret Code** and then enter the student's code.

Using a smartphone,

- Go to your favorite app store

Search for **Clever Kinds University** and install for Pre-K students

Search for **Footsteps2Brilliance** and install for K-3rd grade students

Raz-Kids

This program allows students to read books at their level and then take a quiz to see how well they remembered and understood the story. Your child has probably used the Learning A-Z program in the school library. They can log in to their account using an app on your phone or app.

Using a smartphone, go to your favorite app store.

Search for **Raz Kids** and install.
