The principal or designee has the authority to impose a short-term (10 days or less) suspension, following appropriate due process. Appeals of short-term suspensions must be made at the site level, in writing, to the principal within the first 48 hours from the first day the suspension was issued.

Student Discipline History

Students and parents are advised that the Division will take into account prior referrals or disciplinary actions at any other school or grade level when determining an appropriate consequence for a violation of the Division's code of conduct. Upon transfer of a student to another school within the Division, the transmitting school shall provide the receiving school with the student's complete record of prior disciplinary reports, including those incidents in which no formal disciplinary action was taken. In the event that a student is referred for disciplinary action for violation of school or division policies, the school shall take into consideration all prior disciplinary referrals and/or actions taken at the student's current and previous schools when determining an appropriate consequence for the current referral.

Suspension and Expulsion of Students with Disabilities

Students placed in special education programs will be expected to abide by the rules of conduct established for all students. When misconduct occurs, procedures for such suspensions and expulsions shall meet the requirements and regulations of the Individuals with Disabilities Education Act (IDEA) and other applicable laws.

According to Tribal law (SRO-347-09), a gang consists of three or more persons whose activities violate the SRP-MIC Criminal Code. Gangs that initiate, advocate or promote activities that threaten the safety or well-being of persons or property on school grounds or disrupt the school environment are strictly prohibited.

ANY STUDENT ENGAGING IN PROHIBITED GANG ACTIVITY IS SUBJECT TO ARREST.

The following activities are strictly prohibited: Using gang related hand signals, handshakes, or hand gestures, graffiti writing, or the wearing or possession of any clothing, jewelry, accessory, or manner of dress or grooming that, by virtue of its color, arrangement, trademark, symbol, or any other attribute indicates or implies membership or affiliation with a gang.

Your Rights-Due Process

As directed by the United States, and interpreted by the federal courts, Community Code, SRP-MIC policy, and Education Board policy every student is entitled to due process before he/she may be suspended or expelled from school.

The student rights and student due process procedures are located in Article IV – Students Policy, which is located publicly on the Education Division website – www.srpmic-ed.org.
